

Village of Akron Notification

- Intended for residents located in The Village of Akron

Republic Services would like to thank the residents of the Village of Akron for allowing Republic to provide all your solid waste and recycle collection needs. As a reminder, we are pleased to provide the following information.

How will this system work . . . ?

Republic Services will continue to provide each household with one (1) 95-gallon curb carts that have the capacity of (3) 32-gallon trash cans each. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet from other objects such as mailboxes, parked cars, and even your bulky items. Republic Services automated collection truck will then pick up the Cart, empty it, and return them to its original location. It's that simple!

Solid Waste Collection . . .

The Curb Cart should be placed at the curb **NO LATER than 6:00 AM** on your collection day. If you have more waste than what your cart can handle, please bag and place **NEXT TO** the cart, **NOT ON TOP** of the cart. The driver can easily empty the cart, then refill it with the other bag and empty again. Generate more than the contents of one cart? Need another cart? Please contact the Republic for details.

Recycling Collection...

Recycle bins should be placed at the curb **NO LATER than 6:00 AM** on your collection day. Recycling will be serviced on an **every other week** basis. Please refer to the NEW Acceptable Material Guidelines included with this information packet to find out what can now be recycled. Generate more than the contents of one bin? Need another bin? Please contact the Republic for details.

Cart Care . . .

With the right care your Cart will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce the need for periodic cleanings. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost or stolen, please provide this number to the police then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

Moving . . .

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

Prohibited Items . . .

Items prohibited are: dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling

or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.
